

Slipping and Hard Stand Storage Application Form

Valid from 01/03/2023

- Please read and understand the Terms and Conditions below. Fill out and sign this form and return it to Esperance Bay Yacht EBYC (EBYC) with a copy of the Vessel current insurance details (minimum Public Liability of \$10M).
- **Approval from the EBYC is required by you before you can Slip or use the Hard Stand Storage.**
- It is the Vessel Owners responsibility to be aware of updates to these Terms and Conditions that will be posted on the EBYC notice board and / or placed on the EBYC web site.

EBYC Slipping and Hard Stand Storage Terms and Conditions

1. The EBYC shall not be held liable for any loss, theft or damage to any Vessel, equipment, or fittings whatsoever. The Vessel Owners Slipping and use of the Hard Stand Storage is at their own risk.
2. Fees apply for Slipping and the use of the Hard Stand Storage. These are posted on the EBYC notice board and / or placed on the EBYC web site. The EBYC has By Laws, Occupational Health Safety and Environmental policies and other relevant policies that the Vessel Owner must review (available on EBYC web site) and comply with.
3. The EBYC is committed to maintaining a clean environment. Waste and recycling containers / bins are provided for your convenience for waste chemical and paint containers. Vessel Owners areas of work must be maintained in a clean and tidy condition. No waste materials or liquids are to be disposed of in the surrounding waters or land. Any waste or recycling materials left in the yard after maintenance works will be cleared by EBYC staff and charged to the vessel's owners.
4. **The EBYC prohibits any,**
 - a. **High Pressure cleaning of antifoul or marine growth.**
 - b. **Dry sanding of any antifouls (even with dust extraction)**
 - c. **Any process of removing antifoul (other than wet sanding)**
5. Wet sanding or Wet Scraping can only be carried out if,
 - a. The vessel is parked over a watertight tarpaulin to contain all residual.
 - b. Residual is to be collected daily, correctly disposed of, and not left overnight.
6. Appropriate covers must be provided to ensure any cars, vessels, buildings, grounds, or the like are protected from overspray whilst spray painting or any other works is carried out.
7. Vessel owners are to ensure any contractors working on their vessels have Public Liability and Current WorkCover insurance certificates supplied to the EBYC prior to works being carried out.
8. Vessel owners must ensure that vessels are not left on the hard stand areas for more than 4 weeks without prior arrangements with **EBYC Management**.
